Zero Frequency® Seminar and Workshop: Topics

For Business/Corporate

Producing success by knowing how to get into the zone...

Zero Frequency® Management:

All of us are affected to some degree by the constant chatter that goes on just below the threshold of our awareness. Most of these messages are restrictive and hold us back from really doing our best. Mabel has an innovated method for not just becoming aware of these messages, but actually turning them off. She calls this reaching Zero Frequency®, and people who operate from that place are naturally more effective, easier to work with, and make better choices.

Zero Frequency® Employees:

According to respected scientific journals, enhanced employee happiness produces accelerated productivity and improved work performance. Mabel has designed several workshops of varying duration that support both employees and those in management in discovering how they can align themselves with their work and enjoy greater success and fulfillment in all areas of life.

For Individuals

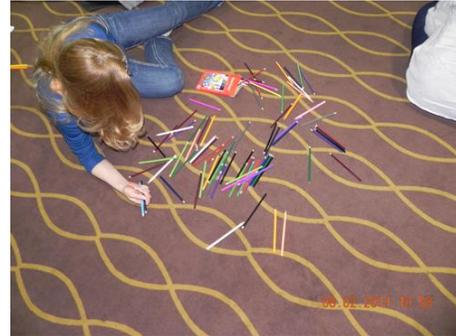

Getting to the place where everything seems possible again...

Zero Frequency® Getting to Zero

If there is anything in your life you think you'd like to have or do or be but you have not accomplished it, there may be an understandable explanation. We have, unbeknownst to ourselves, shackled ourselves with beliefs and messages we've picked up over the years of our lives that hold us back from going for what we want. Mabel Katz has designed a workshop that brings you back to what she calls Zero Frequency®, a place where those "I can't" messages are silenced and you can decide with clarity what you want and how to get it.

Zero Frequency® Return to Innocence

When we were very young, the world was a magical place of infinite possibility. As we grew older, we were literally talked out of the awareness of that magic. Here's the good news: The magic has always been here and this workshop shows you how to reclaim it.

What Is Zero Frequency®?

The work Mabel Katz does is based on the unique concept of Zero Frequency®. It involves accessing a state of awareness where confusion and limiting beliefs and behaviors simply are not present. It is a natural state, and is; in fact the state we are in as young children, before we acquire “knowledge” that tells us what we can't do.

Reaching Zero Frequency®, we are able to see situations much more clearly and make effective choices that become immediately apparent once the static of the mind stops. We experience intuition and inspiration and become much more creative at solving previously insurmountable challenges, at work and in personal life.

As Mabel puts it, *“When we are at Zero, we are our authentic selves, able to access our true talents and natural gifts, happy and at peace. We are in the flow, whatever is right and perfect for us coming to us easily and effortlessly.”*

With practice, Zero Frequency® can be reached quickly and easily, and regardless of situations around us. It is accessible in the face of apparent crises at work, upset co-workers or superiors, or difficulties with family or friends. With heightened clarity, excellent solutions are more easily perceived and achieved, worker relationships improve, and tasks are accomplished more quickly with greater efficiency. Confidence increases based on this enhanced clarity and improvement in work performance.

Like children, great artists and athletes frequently experience the state of Zero Frequency®. They call it “being in the zone;” that place of peak performance where the mind is still and time seems to stop. They train themselves to access this state, striving to reach and stay in that

awareness. When we can learn to let go and get back to the state of pure awareness, like those athletes, we find we become more aware, conscious, and in balance, in tune with the limitless possibilities that come from the newly accessible source of all inspiration, instead of our old memories and programs.

Science tells us that we are only conscious and aware of a mere sixteen bits of information per second, while our minds are producing *eleven million*. These thoughts and data are playing in our minds constantly, however we are unaware of them because they exist in our subconscious.

Zero Frequency® works on the eleven million thoughts buzzing around in the deepest part of our minds that cause the static and uncertainty.

Zero Frequency® is about listening to our inner voice as it solves problems through inspiration instead of our programming; those memories that created our problems in the first place. The heart of the process is problem solving through gratitude and forgiveness. When we respond with gratitude to those things that have caused difficulty in our lives, asking with pure intent to clean and erase those programs, we reach the state of Zero Frequency®. At that point, for reasons that science is still trying to understand, the challenging problems seem to self solve and go away.

Mabel Katz has assisted tens of thousands worldwide in reaching Zero Frequency® and applying it at work and in their personal lives. She is available for keynotes, talks and Zero Frequency® workshops geared to the needs of your organization. The enclosed materials describe these in detail.

Testimonials

"Thank you so much for sharing your experiences and knowledge regarding the Zero Frequency® Program. Our personnel was pleasantly surprised with how something so simple - or at least that's how you conveyed it - can be so powerful and have the ability to transform us and, therefore, offer our university a greater probability of development.

Going back to zero, and letting go of negative emotions and habits can open up a new world. It's like starting over, from a new platform, where we are able to keep all of our knowledge and abilities, but eliminate all of our self imposed limits.

*Continue teaching. Many of us will thank you for it. With no further ado, I wish to reiterate my deep respect and gratitude." ~ **Higinio González Calderón, Dean of UANE University***

*"The Conference imparted an excellent philosophy which will allow us to implement important changes in ourselves and in our environment." ~ **Jorge Alanís Villareal, General Director of Colegio Americano***

Mabel Katz

Is an internationally acclaimed speaker, author, and seminar leader who is recognized as a leading authority on Ho'oponopono, an ancient Hawaiian art and practice of problem solving for achieving greater clarity of purpose and living and working more effectively. She has crafted a series of keynotes, talks, and seminars for corporations, businesses, and individuals; applying the practices of Ho'oponopono to bring companies closer to their full potential and give people an edge at work and in all areas of life. Mabel's series also include unique seminars for children and parents.

Based on using Ho'oponopono's forgiveness and gratitude, Mabel's presentations also focus on practical ways for reaching what she calls Zero Frequency®, a state where we are free of restrictive memories and limiting self-talk. From the clarity of Zero, outstanding solutions become apparent and excellent choices can be made.

Mabel is rapidly gaining acclaim for her work in support of world peace. She has spoken in front of national senates and other influential government bodies and presented at the United Nations. She has addressed multi-cultural audiences, including those of diverse ethnicities in the Middle East.

Born in Argentina, Mabel moved to Los Angeles in 1983 where she became a successful accountant, business consultant, and tax advisor. In 1997 she started her own company, Your Business, Inc., a step that not only enhanced her own success but also increased her ability to work more directly with others. Her company prospered by helping new and established businesses to expand and grow.

Amplifying her contribution to the Los Angeles Latino community, Mabel created and produced a radio program, *Despertar* (Awakening), then a television talk show, *The Mabel Katz Show*. Motivated by her desire to bring awareness about better living choices for the Latino Community, her shows employed the best features of Oprah, Suze Orman, and Rachael Ray. As a result of her media work, speaking, and seminars, she has become known in the Spanish-speaking community as "the Latino Oprah Winfrey." Mabel has received numerous prestigious local and national awards recognizing her achievements in business and with local communities.

Despite the success of her business and her media celebrity, Mabel chose to move from those endeavors to follow her heart's desire -- devoting her prodigious talents and powerful drive to assisting people worldwide with what she has learned and continues to learn from Ho'oponopono.

Studying and traveling with Ho'oponopono Master Teacher, Dr. Ihaleakalá Hew Len, Mabel deepened her learning.
