Zero Frequency® -Getting to Zero

*A seminar for individuals who are ready to start living at Zero Frequency®
-- with intuition, inspiration, clarity and peace*

Zero Frequency® is a magnificent state of awareness. It allows you to function with a purity of mind, free of past negative programming, unaffected by mental static, judgments, fears, or stress from apparent crises in your environment. It is a place of inspiration where intuition becomes a reliable resource. At Zero you are *you*, so you feel content, complete, and happy. You *know* you can overcome the challenges of the world. You know no one can stop you. You become certain again that everything is possible.

Zero Frequency® is your natural condition

Great artists and top performing athletes experience Zero Frequency® much of the time. They call it “being in the zone;” that place of peak performance where the mind is still and time seems to stop. They don’t reach that state by accident; they train themselves to access it at every possible moment, ever striving to reach and stay in that magical place.

Most of us are rarely present. We are continually recycling memories of the past and worrying about the future. However, this was not always the case. We started life at the place of Zero Frequency® and then “learned” our way out of it. We were programmed by well-meaning parents, teachers, and society at large to accept limitations on what we could accomplish.

The good news is that we can learn to let go and get back to the state of pure awareness like those athletes and as we were as children. We can become more aware, in balance and conscious of the limitless possibilities that come from the source of all inspiration.

Zero Frequency® – It’s no Secret

A few years ago, the film *The Secret* brought the Law of Attraction to public awareness. This universal law is based on the belief that we create our own reality, that like attracts

like. The methods used to reach the state of Zero Frequency® have little in common with those tools used in the Law of Attraction, such as positive thinking and visualization. The Law of Attraction deals only with the small percentage of thoughts and emotions we process in our conscious minds. It addresses the part of us that believes it is in control, that thinks it knows what is right, so, it gives orders, treating the universe as a concierge service, telling it what to bring, how much, and when.

The path of Zero Frequency® goes much deeper, cleaning and eradicating the insidious negative memories and programs playing in our subconscious minds, allowing the voice of the universe to be heard within us with its limitless guidance.

Living Life at Zero

At Zero your life will be transformed, and you will find the courage to follow your dreams. You will let go of your negative programming and trust yourself, living your life with renewed passion, faith and commitment, walking your path with gratitude.

Zero Frequency® is a state of awareness where inspiration shows up. Perfect ideas and solutions flow effortlessly. Solutions to challenges at work, in relationships, in every aspect of your life appear because you no longer block them. It is the place where authenticity and creativity live, where magic really happens – because you know it can.

Are you ready to find out what your life can be like at Zero?

What Is Zero Frequency® ?

The work Mabel Katz does is based on the unique concept of Zero Frequency®. It involves accessing a state of awareness where confusion and limiting beliefs and behaviors simply are not present. It is a natural state, and is; in fact the state we are in as young children, before we acquire “knowledge” that tells us what we can’t do.

Reaching Zero Frequency®, we are able to see situations much more clearly and make effective choices that become immediately apparent once the static of the mind stops. We experience intuition and inspiration and become much more creative at solving previously insurmountable challenges, at work and in personal life.

As Mabel puts it, *“When we are at Zero, we are our authentic selves, able to access our true talents and natural gifts, happy and at peace. We are in the flow, whatever is right and perfect for us coming to us easily and effortlessly.”*

With practice, Zero Frequency® can be reached quickly and easily, and regardless of situations around us. It is accessible in the face of apparent crises at work, upset co-workers or superiors, or difficulties with family or friends. With heightened clarity, excellent solutions are more easily perceived and achieved, worker relationships improve, and tasks are accomplished more quickly with greater efficiency. Confidence increases based on this enhanced clarity and improvement in work performance.

Like children, great artists and athletes frequently experience the state of Zero Frequency®. They call it “being in the zone;” that place of peak performance where the mind is still and time seems to stop. They train themselves to access this state, striving to reach and stay in that awareness. When we can learn to let go and get back to the state of pure awareness, like those athletes, we find we become more aware, conscious, and in balance, in tune with the limitless possibilities that come from the newly accessible source of all inspiration, instead of our old memories and programs.

Science tells us that we are only conscious and aware of a mere sixteen bits of information per second, while our minds are producing *eleven million*. These thoughts and data are playing in our minds constantly, however we are unaware of them because they exist in our subconscious.

Zero Frequency® works on the eleven million thoughts buzzing around in the deepest part of our minds that cause the static and uncertainty.

Zero Frequency® is about listening to our inner voice as it solves problems through inspiration instead of our programming; those memories that created our problems in the first place. The heart of the process is problem solving through gratitude and forgiveness. When we respond with gratitude to those things that have caused difficulty in our lives, asking with pure intent to clean and erase those programs, we reach the state of Zero Frequency®. At that point, for reasons that science is still trying to understand, the challenging problems seem to self solve and go away.

Mabel Katz has assisted tens of thousands worldwide in reaching Zero Frequency® and applying it at work and in their personal lives. She is available for keynotes, talks and Zero Frequency® workshops geared to the needs of your organization. The enclosed materials describe these in detail.
